THANKSGIVING DAY IS FITTINGLY OBSERVED THROUGHOUT HONOLULU

Thanksgiving day dawned bright and beautiful in Honolulu yesterday. The day was fittingly observed by services in the different churches in the morning, while at noon and in the evening the occupants of thousands of homes sat down to bounteous feasts in keeping with the occasion. The poorer of the residents of the city were generously provided for and everywhere there prevailed a spirit of thankfulness and happiness.

The principal church service took place at the Methodist church at 11 o'clock in the morning, being participated in by the members of the congregations of Central Union, the Christian church and the Methodist church. The sermon was delivered by Dr. W. P. Ferguson, principal of Mills school, Pills and Perils. His address was remarkable for breadth and power. The president's proclamation was read by Judge Sanford B. Dole, while prayer was offered by Rev. A. A. Ebersole. A musical program was also rendered. Another union service was held at St. Andrew's cathedral, which was participated in by all the Episcopal churches of the city, including St. Clement's and St. Elizabeth's. An elaborate musical program was offered. Holy communion was celebrated at St. Clement's and St. Elizabeth's at 7 o'clock in the morning, while high mass was said in the Catholic cathedral at 9 o'clock. The members of the congregation of the First Church of Christ, Scientist, held services in the Odd Fellows' building in the morning.

Needy families in Honolulu to the number of about 80 were supplied with bounteous Thanksgiving baskets by the Palama Settlement and the Associated Charities, while at the Kakaako Mission at noon more than 300 residents of that district sat down to a dinner provided for them by Headworker and Mrs. Harris. Following the dinner, brief religious services were held and songs of praise and thanks sung, while the afternoon was given over to games by the children on the lawn of the mission. The children at the Castle Home, Manoa, and at the Kaulaolani Children's Hospital on Kuakini street were treated to turkey dinners with all the "trimmings" and little hearts were tuned to the highest pitch of happiness. Turkey supplied by Mrs. George R. Carter, and other eatables furnished by friends of the institution, proved an excellent feast for the inmates of the Leahi Home, while many friends of the patients called during the day. Services were held in the Kamehameha Schools chapel in the morning, and at noon the students enjoyed a special dinner. The girls and the boys were particularly thankful through the fact that their team won a splendid victory from Punahou on the gridiron. A special dinner was served at the Y. M. C. A. at noon and in the evening, and the girls at the Y. W. C. A. Homestead in King street sat down to a bounteous repast at 12 o'clock, while in the evening they entertained their friends at an informal reception. Under the direction of John Martin, special services were held at the Oahu Prison.

The Day at Schofield. Throughout the several army posts on Oahu, special Thanksgiving services were held as well as turkey dinners served. At the infantry amusement hall at Schofield Barracks, the exercises commenced at 10 o'clock in the morning, and sections of the pavilion were reserved for each regiment. A literary and musical program was rendered, the principal feature of which was an address by Rear Admiral C. B. T. Moore, U. S. A., whose theme was the strengthening of the American nation through the spread of Christian principles. Down at Pearl Harbor, more than 100 youthful

vendors of The Star-Bulletin made merry through sports and a big Thanksgiving feast. Returning on a special train shortly after noon, the youngsters were the guests of Sammy Hop, manager of the All-Chinese baseball team at the game at Athletic Park.

Thanksgiving day at Fort Shafter was marked by no especial feature as to observance. All of the companies served "turkey and fixins" in greatest abundance and the men well nourished for enjoyment of the day scattered to the town and elsewhere to spend the holiday as suited their fancy. In accordance with regulations all duty except the guard and necessary police of the post was suspended by orders and the Jig garrison flag further marked the day as an especial date in the calendar as it floated high over the garrison. A number of the officer's families entertained at dinner. These affairs were mostly informal in nature but none the less delightful to the guests.

SEE IF THE CHILD'S TONGUE IS COATED

Mother! Don't hesitate! If cross, feverish, constipated, give "California Syrup of Figs."

Look at the tongue, mother! If coated, it is a sure sign that your little ones stomach, liver and bowels need a gentle, thorough cleansing at once. When peevish cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels, without griping, and you have a well, playful child again.

You needn't coax children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages, and for grown-ups, plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—advertisement.

PROMOTION COMMITTEE AFTER SUMMER TOURISTS

With the winter tourist campaign practically at an end, the members of the Promotion Committee at their meeting this afternoon at 3:30 o'clock, intend taking up the discussion of preliminary plans for the campaign for summer tourists which is scheduled to be launched shortly after the first of the year. Already the 1914 Floral Parade and Mid-Winter Carnival advertising has gone out, and the promotionists feel that an early start on their part is necessary to get an increased number of people to visit the islands next spring and summer. As briefly outlined by Secretary H. P. Wood this morning, the plans for this campaign will center largely around the lengthy address lists now in the hands of the committee. The persons on these lists will be urged through the medium of literature and other advertising matter, to visit Hawaii, while the various steamship and railroad companies on the mainland will be called in to give their cooperation. A campaign has been waged among the bank cashiers, doctors and ministers on the mainland, and now the committee intends sending out hundreds of letters to school-teachers and college professors in the larger cities west of Chicago, in the endeavor to induce them to come to Hawaii during the summer vacation. Up to date, the number of tourist arrivals in Honolulu since the first of the year is a large one, and the committee believes that this number may be materially increased during 1914.

"He never knew pleasure who never knew pain" has been construed by many people to mean that persons who have never had headache have never known the pleasure of getting rid of it by the timely use of Stearns' Headache Cure, which quickly gives relief. Insist on "Stearns'."—advertisement.

PUBLIC BATHS IN GOOD SHAPE

Great improvements are evident to a visitor to the municipal bathing grounds at Kapiolani Park, as compared with conditions a few months ago. Additions have been made to the accommodations and comfort stations of both male and female divisions, which will prevent the excessive congestion prevailing formerly on Sundays. Old and new buildings are in cleanly condition, while the grounds are being well looked after by the resident caretaker, John Hills, who moved into the cottage on Wednesday of this week.

Several large parties of women and children, including a school of little Japanese children, enjoyed the facilities and delights of the institution on Thanksgiving Day.

ROAD FRONTAGE TAX AND WATER SYSTEM

Another organization having been granted the use of the rooms of the Merchants' Association for this evening, the meeting of Oahu Central Improvement Committee will be held in the makai pavilion of the Young hotel roof garden, the hour being 7:30 o'clock.

Vice President C. W. Ashford will open a discussion of the road frontage tax and J. W. Caldwell, superintendent of public works, will take part in the consideration of the water supply system of Honolulu for the future. Routine business will take but a few minutes, it is expected, so that there should be opportunity for many pointed speeches on the important questions mentioned. All citizens are invited to attend, and it is hoped that full delegations from the district improvement clubs and other affiliated bodies will be present.

Filipinos of Honolulu will gather in the mission on Queen street this evening to make plans for the celebration of the second anniversary in Hawaii of the death of Dr. Jose Rizal, who met death in the Philippines at the hands of the Spaniards, through his devotion to his fellow countrymen. B. A. Lionson, who is president of the local Dr. Jose Rizal Society, will preside.
